

P1 Ashhurst Loop Track

A 9km long loop walking track connecting Ashhurst township to the Manawatū Gorge and showcasing great views of two rivers and the ranges. The track passes over the Manawatū and Pohangina Rivers and will utilise the shared path to be constructed from the new Gateway Park at the western end of the gorge to the Ashhurst Domain. The eastern section of the loop track (between the new road and the Pohangina Bridge) is being provided by Waka Kotahi as part of Te Ahu a Turanga Manawatū-Tararua Highway project as they will allow public use of a maintenance track in this location.
